For Telecommunication Tower (or other assets within MDV's mandate); up to Eighty Per Centum (80%) of the cost of the project or Eighty Per Centum (80%) of the remaining contract value, whichever is lower.

The money raised under the facility shall be used for any of the following purposes:

- To finance the future investment/ operating needs of the customer
- Repayment of advances from shareholders/ directors
- Refinancing of projects, i.e., redemption of facility from other financial institutions

Any consideration for financing approval shall be subject to MDV's prevailing terms and conditions. For further clarification or inquiries, kindly liaise with MDV Client Coverage.

THE SHARIAH CONCEPT BEHIND THE PRODUCT

Completed Projects Financing product is under the concept of Tawarruq (Commodity Murabahah):+--

Tawarruq consists of two sale and purchase contracts. The first involves the sale of an asset by a seller to a purchaser on a deferred basis. Subsequently, the purchaser of the first sale will sell the same asset to a third party on a cash and spot basis

The Shariah Concept of Completed Projects:

- The customer requests MDV to purchase commodity and undertake to purchase the commodity from MDV at Murabahah price (cost plus).
- MDV purchases the commodity from Commodity Trader A, at a value equivalent to the financing amount.
- MDV sells the commodity to the customer at Murabahah price, payable on deferred basis. Under dual-Wakalah arrangement, the customer appoints MDV as agent to purchase the commodity from MDV.
- MDV, on behalf of the customer, sells the customer's commodity, to Commodity Trader B on spot basis
- MDV makes disbursement(s) to the customer, as well as collect upfront payment/profit (if any).
